

CIX Run Report

1 - Highlights

```
[
{
  "item_id": "account_lockout",
  "narrative": "Customers reported being locked out of their accounts and unable to complete actions such as making online payments or logging in. Some cases involved lost passwords with an inability to reset them, while others reflected being blocked from opening new accounts due to reporting on their file. The lockouts spanned both access-credential failures and account-eligibility restrictions.",
